

NANTUCKET

Elegance and Grand Affairs

Summer Memories

The gentle curves of our Nantucket series will bring back memories of the casual grace of a seaside summer.

- Translucent fabric adds a sun kissed glow to daytime events while the sculpted peak and eave enhance the open-air feel.
- Lightweight waterproof fabric ensures that springtime showers won't dampen your client's festivities and evening events simply glow with internal lights.
- Cedar-stained wooden center and side poles add warmth and elegance perfect for early summer and fall weddings, springtime parties and afternoon teas. 10' leg spacing on every size tent ensures a sturdy structure and consistent set-up procedures. Convenient spacing for standard sidewalls.

Lightweight and Durable

Designed for long-term reliability and durability, the Nantucket series is made from translucent, 10 oz, waterproof fabric that can withstand summertime sun, springtime showers and fall breezes longer than comparably priced tents. This means your investment will last longer and perform better.

Custom Training

Never worry about a bad install. On-site training by a TopTec-trained representative ensures a perfect set-up every time

Custom design

Custom Design options from TopTec's in-house design engineers mean your client's unique event can have that one-of-a-kind look that it deserves.
